PROJECTS

Cache Bandit : Subscription Tracking Service - Helped design and create an application made from scratch that tracks any and all subscription services someone may be subscribed to, and tells them when payments may be due. Written with JavaScript, HTML, and CSS.

Pantry Chef - Helped design and create an application from scratch that allows you to input any ingredients you may have in your pantry, and figure out a new recipe to make using the ingredients you currently have. Made using API calls, Handlebars, JavaScript, HTML, and CSS.

Vibe Lounge - Helped Design and create a website from scratch that acts as place you can curate a vibe depending on your current mood. Made using API calls, JavaScript, HTML, and CSS.

PROFESSIONAL EXPERIENCE

LICENSED SALES PROFESSIONAL

2020-2022

Allstate Insurance Company, Denver, CO

- Sold all property and casualty lines of insurance as well as Life products.
- Exceeded all monthly quotas.
- Calculated quotes and educated potential customers on their insurance options.
- Tracked progress of all outstanding insurance claims.
- Contact underwriters to resolve any potential issues that may come up with policies.
- Developed good relationships with clients to establish trust in letting Allstate insure their property.

Professional Experience Continued

SALES REPRESENTATIVE

2018 - 2020

Colorado Athletic Club, Boulder, CO

- Sold anywhere from 20 to 60 memberships per month, each running at \$137+ per month.
- Notable achievements while in the position included:
 - Sold 3-times the monthly quota during the first 2 weeks on the position.
 - Consistently earned 105% to 130% of the defined monthly quota.

GENERAL MANAGER

2017 - 2018
